

## **FREE POINT OF SALE PROGRAM !!!**

As an introductory offer to our fabulous program, we are offering **1 POINT OF SALE module for FREE !**

### **To get yours**

email [sales@classicpos.com](mailto:sales@classicpos.com) or phone **800-200-5379**

The free program works on any single computer with any Windows operating system.

You will be able to make sales, track customers and inventory. Digital manuals are included.

The CLASSIC 2000 plus programs are completely modularized and additional modules (see list below) and stations can be added for just \$99.95 each.

**For more info, check our website**

[www.classicpos.com](http://www.classicpos.com)

Brochures downloadable from our website provide all the features and options available in each program module.

Besides these features the system has direct debit/ credit processing included at competitive monthly rates through Mercury Pay as well as a **FREE** gift card service where you get to keep the funds !

### **MODULES AVAILABLE :**

Each program is available in modules to give you the option to select whichever modules you need. Each module can be run separately, or any combination of modules can be put together, fully integrated to each other. Get your Free module to get started and then add more as you need them.
